

St Clair Station

Construction Updates

Roof Replacement

Start date: October 10 to December 21, 2016

Content/timelines accurate of time of printing

*pending weather

Roofing project (ongoing until December 2016)

- The TTC will be replacing the roof at St Clair Station. Removing and replacing the existing roof will ensure the streetcar and bus loop transfer structure remains serviceable for decades to come.
- Beginning on October 10, 2016 until December 21, 2016, crews will remove the existing roofing system and install a new one at St Clair Station.

Work hours

Most work will take place from 7 a.m. to 7 p.m., with some extensions outside of these hours in order to complete the work as quickly as possible.

Noise, Vibration and Odour

Noise and vibration associated with construction is expected. Efforts will be made to keep both to a minimum. The contractor will minimize odour as much as possible.
