

Summer Wonder

Learn, Create & Explore with Toronto Public Library

Summer is a great time to explore and discover new interests as a family. The library's Summer Wonder program offers free, online experiences to do together all summer long.

Fun-filled workshops, author visits, STEM & French online programs designed to keep school aged kids engaged in learning because learning should be fun—especially during the summer!

Pick up your free **TD Summer Reading Club** reading kit starting June 14. Participate in the Club online and enter the French Reading Challenge at tpl.ca/readingclub

Borrow Summer Wonder and TD Summer Reading Club themed **grab & go** bags with lots of books to read and enjoy together

Draw, create or **design** something new in one of our awesome online programs, workshops and camps

Discover French programs and creativity challenges on [TPL's YouTube channel](#)

Post a question on our **Wonder Wall** and **explore** more fun things for kids to do at tpl.ca/kids
